CHOOSE YOUR OWN TRAINER PROGRAM

APPLICATION FORM B: OWNER

Background Information

The Choose your Own Trainer program has been developed by the Victorian Brumby Association to increase rehoming opportunities for Brumbies which have been removed from Public Lands in New South Wales and Victoria under government recognised management plans.

The Victorian Brumby Association understands that many horse owners have strong relationships with their own Trainers and methods and may prefer that their Brumby is Gentled using those methods.

The program allows people to choose their own Brumby from our Brumby Junction Sanctuary and have them sent directly to their own Trainer for Gentling and Training to their specifications.

The Brumbies available for this program have been caught for more than 4 weeks. In that time, they have had all of their vet work done – gelding, microchipping, vaccination, worming and delousing and have been accustomed to regular farm fencing, artificial water sources and hay.

Trainers must apply to the Victorian Brumby Association using the below form, to qualify for this program. Once they have been accepted, the Victorian Brumby Association will advise Trainers whether they have been approved and then, with their permission, list Approved Trainers on our website. Trainers will be able to advertise on their own Website etc that they are Approved Trainers in this program.

Trainers will work out training details and costs directly with the Owners, who are responsible for these costs. Trainers will at a minimum, train the Brumby to be:

- Caught/ haltered
- Lead
- Handle legs
- Float load
- Other training as requested by the Owner

Owners are responsible for ensuring their chosen trainer is an Approved Trainer. Owners are responsible for contacting the Victorian Brumby Association and the Trainer and liaising the process. They attend the Brumby Junction Sanctuary and choose a Brumby from those available and then arrange for its transport to the Trainers property.

The Victorian Brumby Association advises all Owners to get to know their chosen Trainers and ensure that they are able to visit the Brumby during training and even be involved if that is suitable. We strongly urge both Trainers and Owners to have a Training Contract drawn up to ensure that both parties are aware of their rights and responsibilities throughout the training period.

Trainers are able to apply for this program using the Choose Your Own Trainer Application Form A

I

Of (Address):

acknowledge and agree that;

1. The Brumby will be eligible for registration with the Australian Brumby Horse Register prior to their sale; I will need to register the Brumby (which will be billed to the VBA if done within six months of the date of this contract) and join the ABHR (at my own cost).
2. The VBA retains the right of refusal of sale for any reason at their own discretion.
3. No more than two Brumbies can be purchased by any family within a three month period without review by the VBA committee.
4. I can provide the following facilities and companionship:
 - Suitable yard for training and introduction of Brumby to its new environment. Minimum of 1.2 metre fence, constructed of wire or post and rail. Minimum yard size per Brumby is 6 x 6m with no barbed or electric wire.
 - Paddock fences should be 1.2m in height, constructed of either wire or timber or metal post and rail. Electric tape is not a suitable stand alone fence.
 - Brumbies MUST have equine companionship on the same property, in the same paddock.
5. By signing this form, I warrant that:
 - a. I am over 18 years of age;
 - b. I have suitable accommodation for a Brumby, including, but not limited to appropriate, safe fencing for horses, with shelter, feed and a small yard for training purposes; and
 - c. I have a reasonable level of competency in handling and training young horses.
6. A 50% deposit of the purchase is required to secure your Brumby, and ensures they are not available to other interested parties, The Victorian Brumby Association ("VBA") will retain 20% of the purchase price as a cancellation fee should you change your mind after paying the deposit.
7. The VBA will also forward receipts and any relevant documentation with your Certificate.
8. The terms of this agreement constitute the entire agreement of the parties, any prior representations, statements or promises are superseded by this agreement.
9. I agree that although occasionally the VBA may have to delay this pick up date, if pick up is delayed by me, the above Brumby will incur an agistment fee of \$5 per day for each day that they remain with the Victorian Brumby Association beyond the agreed pick-up date. All agistment costs must be paid in full before the Brumby leaves the VBA.
10. I accept the above horse as they are at point of inspection and agree to be fully responsible for their ongoing care. I have read and understood points 1 to 5 (above). In the case of mares of breeding age, I understand that the above Brumby has been living wild with a herd of Brumbies and as such, there is a possibility that they may be pregnant at the time of sale.
11. I understand that I am purchasing a completely unhandled or trained Brumby. This Brumby will be transported directly to my nominated Trainer (above) in a suitable vehicle and remain with this Trainer until it has been educated to be caught, lead, have its legs and feet handled and float load.

I hereby agree to purchase the following horse:

Name of horse: _____ Origin: _____

Purchase price: _____ Deposit paid: _____

Pick up date: _____.

Signed: _____ *Purchaser*

Witnessed: _____

Date: _____

Signed: _____ *for Victorian Brumby Association Inc*

Witnessed: _____
