**Please list any special conditions (Medical, Language, etc.)**

**Covenant members** are those who deeply identify with this local church community, but not necessarily with historic Anglicanism and many of the “ins-and-outs” of our tradition. We know and accept that the Church has many expressions, sometimes within each local body. In other words, we are ecumenical.

**Confirmed members** are those who identify with the Anglican tradition, want to be confirmed by our Bishop and intentionally join our church. This doesn’t mean you must fully understand all things Anglican. That’s an ongoing process. In being confirmed, you are building a direct connection with other churches of our mission society.

**Media members** are those who identify with our faith tradition but not able to attend the parish in person because of distance or other hinderances but faithfully watch online and support the ministry. Media members do not have voting privileges in the parish and cannot serve any offices, including the vestry or teach any classes.

**MEMBERSHIP** is not official until conversation with our clergy and approved by the vestry.
