

Mother's Day 2022

I Samael 1:1-10

Israel was in a difficult time, having the worst priests ever to hold the position. Eli and his two sons, Hophni and Phinehas, were the priests. The two sons openly displayed their depravity openly. It was so bad that the people rarely considered the ark of the covenant any longer as representing God's presence.

It was in the midst of this time a child was born and named ICHABOD, the glory has departed...that a exceptional woman was born, Hannah. Her Hebrew name means, _____. She lived with husband, Elhanah, in an obscure part of Israel. Hannah was exceptional for three reasons: 1) Her Love For Elkanah, 2) Her Love for Jehovah and 3) Her Love for Her Family.

I. Her Love for Elkanah

II. Her Love for Jehovah

III. Her Love for Her Family
