

# Stop! Who Do You Think You Are?

## John 1:19-28

Martyn Lloyd Jones: “ The first step in evangelizing is that we should start with ourselves and become sanctified...When the man of the world sees that you and I have got something that he obviously has not got, when he finds us calm and quiet when we are taken ill; when he finds we can smile in the face of death; when he finds about us a poise, a balance, an equanimity and a loving gentle quality...he will begin to take notice. He will say “That man has got something,” and he will enquire as to what it is. And he will want it.”

### I. John’s Identity?

Hey You, who are you?

Are you Elijah?

Are you THE prophet?

### II. John’s Authority?

If you’re not Messiah, if you’re not Elijah, if you’re not THE prophet, why are you \_\_\_\_\_?

### III. John’s Humility

I’m not even worthy to untie his shoes.....

### IV. Your Testimony

Three points to follow:

- 1) I am not the answer to humanity’s problems. I am not the light.
- 2) I must understand that Jesus, alone, is The One True Light and I must point others to Him, alone.
- 3) My intention in giving a testimony is to have men and women believe.
