Josephus suggested that as many as \_\_\_\_\_ lambs would be sacrificed in Jerusalem during Passover. Lambs would be sacrificed to start and finish the day, the Passover lamb would be offered and lambs would be offered for a family as well. Actually, the number is \_\_\_\_\_. There was a time in the OT when a lamb would be sacrificed for one sinful person, then one lamb would be offered for one family, then one lamb was offered for the nation of Israel and then, finally, one lamb was offered for \_\_\_\_\_

It's the next day as we begin this morning.....

JTB had already baptized Jesus. Additionally, Jesus, after baptism, went directly into the wilderness. So, in our passage, Jesus is just now leaving the wilderness.

JTB pointed out Jesus..... JTB calls Jesus "the Lamb." Just like families would buy a lamb and provide it to the priest for sacrificing, it was that families' lamb. Notice the phrase JTB adds "of God."
