

You Must Be Born Again John 3:1-8

The Pharisees----

The Mission--

Born Again--

What role did you have in your birth?

You're not entering heaven because you try harder, you're a better person, more religious or moral.

Jesus new what was in man, then he introduces us to a man...

Legalism--

Matt 23

Nicodemus was a ruler of the Jews, a pharisee, so it's likely he was wealthy and highly educated.

He approached him at night....

Rabbi—

The pharisees were very restrictive and this probably led to many being full of fear regarding their standing with Jehovah.

Nobody can do that....

You want to be in the Kingdom? You MUST BE born again.

Flesh is flesh, Spirit is Spirit.

A dead person cannot act on anything.
