# Nehemiah 11:1–12:26

## Summation:

Now the leaders of the people settled in Jerusalem, and the rest of the people cast lots to bring one out of every ten to live in Jerusalem, the holy city, while the remaining nine were to stay in their own towns. The people commended all the men who volunteered to live in Jerusalem....

These are the provincial leaders who settled in Jerusalem (now some Israelites, priests, Levites, temple servants and descendants of Solomon's servants lived in the towns of Judah, each on his own property in the various towns, while other people from both Judah and Benjamin lived in Jerusalem):

From the descendants of Judah...

From the descendants of Benjamin....

From the priests...

From the Levites....

The gatekeepers...

These were the priests and Levites who returned with Zerubbabel son of Shealtiel and with Jeshua....

These were the leaders of the priests and their associates....

These were the heads of priestly families....

Mattaniah, Rabbukiah, Obadiah, Meshullam, Talmon and Akkub were gatekeepers who guarded the storerooms at the gates. They served in the days of Joiakim son of Jeshua, the son of Jazadak, and in the days of Nehemiah the governor and of Ezra the priest and scribe
