

John 4:27-30

Context

- A Providential Visit
- Jewish Customs
- Jesus was not hostage to customs

Why in the world were you talking with *her*? This is always how _____ responds to grace after a remarkable conversion

Confession

Drs, after a baby is born, want to hear that baby
_____.

Matthew 10:32-33

The woman's response to Jesus' declaration clearly is a confession.....

Change

Did you leave your waterpot or are you still grasping it?

John Newton

"If there has been no change in your life, then your confession of faith is doubtful at best." (Richard Phillips)

Concern

John Calvin "The knowledge of God cannot lie buried in our hearts and not be known to men."

The woman should have been filled with resentment at the way they treated her.

Come

If someone ever asks "Who do you think you are trying to tell me about God?" Tell them "I'm just one beggar telling another beggar where they can find bread."

Notice what she did NOT say.....

JC Ryle "We must never despise the smallest effort of someone." Do we understand that Jesus used this formerly immoral woman to lead many to Christ? We need to remember that God uses whom He will in His Church.

So, you need to start a church. Whom do you pick? The Samaritan woman or Nicodemus?
