

## Where Can I Go

### Psalm 139:7-12

Communicable and Incommunicable. A communicable disease can be \_\_\_\_\_. Incommunicable diseases cannot. \_\_\_\_\_ for years have defined the \_\_\_\_\_ of God with these terms. The communicable attributes can be transferred in part to human beings. These include \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, and others. The other category, incommunicable, includes His eternal being, His \_\_\_\_\_, His immutability, His perfection and others. Two specific others we find in our text, Psalm 139. Last time we saw David proclaim God's omniscience, the truth that He knows everything. Today's text reveals God's \_\_\_\_\_.

#### I. God is \_\_\_\_\_ I Am.

Where shall I go from your Spirit? Do you think David wanted to go from His Spirit? David even asked the question \_\_\_\_\_. It's a reminder that we cannot \_\_\_\_\_ from Him. C.H. Spurgeon wrote: "For we offend the Almighty to His face and commit acts of \_\_\_\_\_ at the very foot of his throne."

Another author wrote: The \_\_\_\_\_ of God's glory is in \_\_\_\_\_, the presence of his \_\_\_\_\_ is on the \_\_\_\_\_; the presence of his \_\_\_\_\_ is in hell and the presence of grace with his people. If we deny his powerful presence, we fall into nothing; if He deny us his gracious presence, we fall into sin; if he deny us His merciful presence, we fall into \_\_\_\_\_. (Mason)

#### II. God is \_\_\_\_\_ I \_\_\_\_\_.

Could David escape Jehovah if he were to take flight? An author commented it would be like someone jumping into the middle of a \_\_\_\_\_ to avoid the \_\_\_\_\_. Whether David ascended to the heavens or descended to hell, \_\_\_\_\_ was there. Even in \_\_\_\_\_ there is no escaping God. The agnostic says he's not sure, the atheist says he is but both are wrong. Did you know the Latin word for agnostic? \_\_\_\_\_. Even if David went to the uttermost part of the universe Jehovah is \_\_\_\_\_ in all His attributes.

## Where Can I Go

### Psalm 139:7-12

How about if the cover of darkness is used? Can Jehovah not see in the dark? Crime, a good bit of it, occurs at night. People who sin view God as a \_\_\_\_\_ . A wise man understands differently.

I'm pretty sure you concur with God's omniscience but how about his omnipresence? If we admit that, how can we explain our \_\_\_\_\_ as others see our \_\_\_\_\_ but we, as John Calvin wrote "are indifferent as to what God may think of us, as if our sins were \_\_\_\_\_ and \_\_\_\_\_ from His inspection."

These incommunicable attributes of God can give us great \_\_\_\_\_, if we believe the \_\_\_\_\_ of \_\_\_\_\_.
