

The Most Important Thing the United States Needs to See: Selected Scriptures.

What do you spend the most time examining? Fox News, CNN, Main Stream Media, Social Media? In the light of what has happened since November 3rd, what's a average citizen to do? How about a believer?

The nation's borders had been _____, average citizens experienced _____ like never before. The influence of the country was felt far and wide. Then, astoundingly, the _____ wasn't re-elected. Actually, the _____ died. The time was around _____ BC. Judah was experiencing unparalleled prosperity, strength and influence. The king had ruled for _____ years. His name was _____ and, for the most part, he was a good ruler. How he died was significant (II Chronicles 26:15ff). His _____ led to Jehovah striking him with _____. The nation was struck with confusion and a lack of vision to move forward. What did the prophets, what did the nation of Judah need...what did they do?

I. The People's _____.

For ___ years the people closely watched their _____. He had captivated their _____. Imagine having a president for 52 years and him suddenly dying. The people were left without hope and the nation began to deteriorate.

- II. The Prophet's _____.
- A. Isaiah saw the _____. Who was this whom Isaiah saw? He saw the _____. The Hebrew word is ADONAI. It has the thought of "one who is able to do what He wills." If that's true, then I thought that no man can _____ on God and _____. This vision Isaiah had, was it just a _____, did he see with his physical eye?
- B. Isaiah's vision of the Lord is one of Him _____ on his throne. In the midst of the chaos in the nations, the death of a beloved king, the ascendancy of _____ and _____, Isaiah had a vision and it was a vision of the Pre-Incarnate Jesus, sitting on a throne. While events on earth might seem haywire, they might appear out of control, a Sovereign King still sits, ruling on His throne. Do you think that Joe Biden or Donald Trump
