### John 1:3ff

I. In Him Was \_\_\_\_\_.

The word \_\_\_\_\_ occurs some 36x in the gospel of John, far more than any other book. In referring to this word, John connects the word \_\_\_\_\_ to it. Does it refer to a year from now? 10 years? 1000 years? How about \_\_\_\_\_?

Jesus also gives us the \_\_\_\_\_ as well. The opposite of eternal life is not \_\_\_\_\_. It is \_\_\_\_\_.

A question for you today: Are you \_\_\_\_\_? Jesus said "I came that they may have \_\_\_\_\_ and have it \_\_\_\_\_."

Life is the first theme. The second theme is.....

II. In Him Was \_\_\_\_\_.

Light does a few things. It reveals, warms, guides and stimulates life. Stumbling into a dark room, you instinctively look for the light. We were living in darkness, ignorant about God, and the light revealed Him. Light also warms, it brings change.

Light also \_\_\_\_\_. It also stimulates life.

III. In Him There is No \_\_\_\_\_.

The opposite of light is \_\_\_\_\_. Light shined in the darkness and the darkness did not overcome it. Sadly, the \_\_\_\_\_ came into the world and people loved \_\_\_\_\_ rather than \_\_\_\_\_ because their \_\_\_\_\_ were evil.

You might say, as many others, that people are basically good. Can I remind you what the world did to the best person who ever lived? The pharisees, the priests-scribes, the Romans all hated him. Even \_\_\_\_\_ cried out \_\_\_\_\_.

The darkness might look like it's winning but it never will overcome the light.
