No Surprises Act

No Surprises Act (passed by congress), has been put in effect, starting 1st of January 2022, under which a Health Care Provider is required to provide a prospective client with a Good Faith Estimate cost for their services to be rendered.

In my practice, it has always been my policy, that at the initial contact I inform the prospective clients, when they call to make an appointment, of my fees per session. A client decides the number of sessions depending on their needs and goals. So they know the Cost of the treatment.

I also inform them, at that time, my Late Cancel and No Show policy and the associated charges.

So please read the above and acknowledge that you have been informed of the No Surprises Act and Good Faith Estimate cost. The cost will depend on the number of sessions you schedule and keep, and Late Cancels and No Shows.

“I hereby acknowledge that I have been informed of No Surprises Act and Good Faith Estimate Cost of services rendered by Dr. Lata Sonpal. I acknowledge that I have been informed of Late Cancellation and No Show fees.
