Class Supplies

Pencil – Students should have a sharpened pencil at the beginning of each class. Since choral music is used for many years, markings in the music must not be permanent.

Choral Music – Students will be provided with choral music belonging to the HHS Choral Department. They are responsible for all copies of music, just as they are responsible for textbooks in other classes. All music is turned in at the end of the year. Any lost or damaged music must be paid for by the student (\$3 per piece of music). Students are encouraged to take home music for practicing purposes.

Black Binder – Students will need a black binder for select concert performances. It is recommended that they use this as their daily music binder so they are prepared come concert time.

Attendance Policy

Attendance at after school rehearsals is required. Any conflicts must be communicated to Mrs. Wesselmann (swesselmann@highlandcusd5.org) no less than 48 hours prior to the rehearsal. The schedule for the year has been communicated to students and is on the choir website. Missing rehearsals or not communicating a conflict in time can result in a reduction of the students grade. Most conflicts can be worked out with proper notice.

Attendance at concerts and performances is required. The schedule for the year has been given to the students and is on the choir website.

Excused absences require at least 48 hours notice for rehearsals and two week's notice for performances.

Excused Absences are...

1. An excused illness from school. A parent note, email, or voicemail is required, for performances, to ensure that the director notes the excused absence.
2. A personal problem explained with a parental note and authorized by the director at least 48 hours prior to the event.
3. An emergency problem that cannot be addressed before the event. This must be explained with a parental note or email the day following the scheduled event.
4. Another school or "once in a lifetime" event that has been approved by Mrs. Wesselmann at least a week prior to the performance.

Students with an excused absence from a performance will be given a short assignment to receive the points for their performance grade.

Unexcused Absences are...

1. Failure to attend a scheduled event with no explanation.
2. Non-school related activities, including work.
3. Family vacations or trips that are not an emergency.

These absences cannot be made up and the student will receive a 0 for the performance.

Tardiness to after school rehearsals and events will have a negative impact upon a student's grade. Choir members are expected to be in place, ready to participate at the scheduled time. Students arriving late will immediately be docked three (3) points. If a student is more than ten (10) minutes late, participation points will be deducted in proportion to the amount of missed rehearsal time.

In the event a change or addition is made to a scheduled performance or rehearsal, students are encouraged to make every effort to adapt to that change. If ample notice of the change (2 weeks) is not possible, the policy on absence will be adjusted accordingly.

At the directors' discretion, students may be pulled from a performance for any of the following reasons: (Each of these negatively affects the entire ensemble.)

1. Student does not have complete, presentable costume/attire
2. Student does not know their music
3. Student has behavior infractions
4. Student does not have their music when required
5. Student fails to complete and return forms/information
6. Student is unprepared due to an extended absence
7. Student has missed a practice prior to a performance

If a student is excluded from a performance, the effect on their grade for that performance will be discussed with the student on a case-by-case basis.
