Fund requirements are primarily financed by a countywide landfill tipping fee (Integrated Waste Management Fee), and the imposition of a per parcel service charge on real property in the unincorporated areas (the Solid Waste Generation Service Charge), revenue from the solid waste collection franchise program in various County areas, and solid waste facility conditional use permit compliance fees. The 2017-18 Recommended Budget reflects a net \$1.8 million decrease primarily attributable to a decrease in fund balance available due to increases in operating costs, partially offset by an increase in cancel obligated fund balance.

**Public Works - Transit Operations Fund** ..... 2.72

This fund was created in 1979 to finance the operations of various public transit projects and transit assistance programs throughout the County. Transit services financed by this fund include Dial-A-Ride services; fixed route transit services such as the Acton/Agua Dulce Shuttle, Edmund D. The main sources of revenue are sales tax (half of one percent) distributed by the LACMTA and State/federal grant funds. The 2017-18 Recommended Budget reflects a net \$0.5 million increase due to increases in fund balance available and sales tax revenue, partially offset by a decrease in cancel obligated fund balance.

The 2017-18 Recommended Budget reflects anticipated fund balance and receipt of revenue based on prior-years' experience as well as utilization of the fund based on anticipated allowable activities.

**Registrar-Recorder - Vitals and Health Statistics Fund** ..... 2.77

This fund, authorized by SB 1535 (California Health and Safety Code Section 10605.3), accounts for fees charged for certified copies of vital records. Pursuant to California Vehicle Code Section 9250.19, an additional fee of \$1.00 is paid to the Department of Motor Vehicles and passed through to the County, at the time of vehicle registration or renewal, which enables the County to purchase hardware and software, or upgrade the Livescan technology. The 2017-18 Recommended Budget reflects an increase in financing uses primarily due to an increase in available fund balance.

**Sheriff - Automation Fund** ..... 2.79

This fund, authorized by California Government Code Section 26731, provides for the collection of fees for serving, executing, and processing required court notices, writs, orders, and other services performed by Sheriff's personnel. All proceeds from the fees are for the exclusive use of the Sheriff's Court Services Division to supplement the costs of automated systems and administering the funds. The 2017-18 Recommended Budget reflects a decrease in financing uses primarily due to a decrease in fund balance available.

**Sheriff - Countywide Warrant System Fund** ..... 2.80

This fund, authorized by California Vehicle Code Section 40508.5, provides for the collection of an assessment fee of \$15.00 upon every person who violates the written promise to appear or for failure to pay a fine lawfully imposed by the court. Funds are used exclusively for the development, operation, and ongoing system maintenance requirements of the Automated Countywide Warrant System. The 2017-18 Recommended Budget reflects fund balance available and receipt of revenue based on prior-years' experience.

**Sheriff - Inmate Welfare Fund** ..... 2.81

This fund, authorized by California Penal Code Section 4025, provides for the benefit, education, and welfare of inmates confined within County jails. This fund receives revenue from several sources, including all sales of inmate hobby crafts, vending machines, telephone commissions, and interest on deposited funds. The 2017-18 Recommended Budget reflects a decrease in financing uses due to a decrease in fund balance available.

**Sheriff - Narcotics Enforcement Special Fund** ..... 2.82

This fund was established in 1984 in accordance with California Health and Safety Code Section 11489. ## Capital Project Special Funds

Capital Project Special Funds are used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary and trust funds).

### **Commercial Paper - General Facilities Capital Improvement Fund** ..... 3.3

This fund was established in June 2013 to properly account for the funding of high-priority, general countywide capital projects through tax-exempt commercial paper and long-term debt financing. Each of the projects under this fund has been previously Board-approved. The 2017-18 Recommended Budget reflects the appropriation and revenue necessary to fund development, design, and construction activities for Board-approved general County capital projects based on current project implementation schedules.

### **Commercial Paper - Harbor Medical Campus Capital Improvement Fund** ..... 3.4

This fund was established on April 6, 2016 to properly account for the funding of high-priority, health-related capital projects at the Harbor-UCLA Medical Campus through tax-exempt commercial paper. Each project financed under this fund has been Board-approved. The 2017-18 Recommended Budget reflects a decrease in appropriation and revenue due to the ongoing planning activities for the capital project budgeted in this fund.

### **Commercial Paper - Martin Luther King, Jr. Capital Improvement Fund** ..... 3.5

This fund was established on September 30, 2014 to properly account for the funding of high-priority, health-related capital projects at the Martin Luther King, Jr. Medical Campus through tax-exempt commercial paper. Each project financed under this fund has been Board-approved. The 2017-18 Recommended Budget reflects a decrease in appropriation and revenue due to the ongoing construction activities for the capital project budgeted in this fund.

### **Commercial Paper - Rancho Los Amigos Facilities Improvement Fund** ..... 3.6

This fund was established in June 2013 to properly account for the expenditures of the Rancho Los Amigos National Rehabilitation Center Project components funded through the issuance of tax-exempt commercial paper. The 2017-18 Recommended Budget reflects the required appropriation and revenue necessary to fund design and construction activities for the Board-approved Rancho Los Amigos National Rehabilitation Center Project components.

### **Del Valle A.C.O. Fund** ..... 3.7

This fund was established by Board order in 1987 to finance development of the Del Valle Firefighting Training Facility. The 2017-18 Recommended Budget reflects the anticipated fund balance and appropriation required to continue facility projects.

### **Gap Loan Capital Project Fund** ..... 3.8

This fund provides for grants to finance high-priority capital projects that provide long-term benefits, cost savings, or opportunities, and is financed pursuant to Section 10754.11 of the California Revenue and Taxation Code, known as the vehicle license fee (VLF) law. The VLF law, as amended, required the State to provide for the repayment to local agencies of redirected VLF revenue on or before August 15, 2006. In December 2004, the County issued Receivable Notes 2005 A and B to securitize the State's repayment obligation. Note proceeds were utilized to fund high-priority capital projects. The 2017-18 Recommended Budget reflects a decrease in fund balance available due to payment of high-priority capital project expenditures.

### **General Facility Capital Improvement Fund** ..... 3.9

This fund was established in March 2010 to properly account for the expenditures of various general County capital projects funded through the issuance of tax-exempt commercial paper. The 2017-18 Recommended Budget reflects the appropriation and revenue necessary to fund development, design, and construction activities for Board-approved general County capital projects based on current project implementation schedules.

**Health Facilities Capital Improvement Fund** ..... 3.10

This fund, authorized by the Board on April 11, 2006, was established to properly account for the expenditures of high-priority, health-related capital projects and funded through the issuance of tax-exempt commercial paper. Each of the projects financed under this fund have been previously Board-approved. The 2017-18 Recommended Budget reflects the closure of this fund.

**LAC+USC Replacement Fund** ..... 3.11

This fund was established to provide a single reporting entity to account for the receipt and disbursement of commercial paper, disaster assistance monies from the Governor’s Office of Emergency Services and the Federal Emergency Management Agency, and other budgetary resources used to finance the capital project expenditures related to the design, development, and construction of a replacement hospital at the LAC+USC Medical Center. This replacement facility was completed and opened in 2008. The 2017-18 Recommended Budget reflects no change.

**Marina Replacement A.C.O. Fund** ..... 3.12

This fund provides for the improvement, repair, and replacement of Marina del Rey infrastructure. The 2017-18 Recommended Budget reflects a decrease in total financing sources due to decreases in fund balance available and operating transfers in.

**Online Real-Time Centralized Health Information Database (ORCHID) Fund** ..... 3.13

This fund was established in November 2012 to properly account for project expenditures of the ORCHID system and related capital projects that are funded through the issuance of tax-exempt commercial paper. The 2017-18 Recommended Budget reflects the necessary funding for the system, as well as design and construction activities of Board-approved ORCHID-related capital projects based on current project implementation schedules.

**Park In-Lieu Fees A.C.O. Fund** ..... 3.14

County ordinance requires a residential developer to dedicate land or pay in-lieu fees, or a combination thereof, to be used for the purposes of local park acquisition, development, or rehabilitation. This fund was established as a method of retaining these in-lieu fees until they are disbursed for the acquisition or development of specific park sites. The 2017-18 Recommended Budget reflects the use of fund balance available and revenue to finance small rehabilitation projects and capital project expenditures budgeted in the General Fund.

**Public Library A.C.O. Fund** ..... 3.15

This fund is administered by the Public Library to finance capital improvements and large equipment purchases. The 2017-18 Recommended Budget reflects a decrease in financing uses primarily due to a decrease in fund balance available.

## Special District Funds

Special District Funds provide a variety of specialized services to various locations throughout the County. They are financed by a combination of property taxes, benefit assessments, and user charges as a means of equitably distributing the costs of providing services to benefited properties and residents.

### **Fire Department** ..... 4.3

This fund is administered by the Fire Department. For additional information, please refer to the Fire Department section in Volume One.

### **Fire Department A.C.O. Fund** ..... 4.5

This fund, which is administered by the Fire Department, provides funding for capital improvements including the replacement and construction of additional fire stations. The 2017-18 Recommended Budget reflects funding for a new fire station and land acquisition.

### **Public Works - Flood Control District** ..... 4.6

This fund is administered by the Department of Public Works. For additional information, please refer to the Public Works section in Volume One.

### **Public Works - Garbage Disposal Districts Summary** ..... 4.8

These districts provide garbage and disposal services within specified unincorporated areas of the County. Funding is provided through the garbage collection and disposal service fee levied upon real properties in each of the Garbage Disposal Districts (GDDs) and a limited amount of ad valorem property taxes for six of the seven GDDs. The 2017-18 Recommended Budget reflects a net \$4.7 million increase primarily attributable to increases in the cancelation of obligated fund balance, to set aside funds to minimize future fee increases to the residents and businesses of the GDDs, and property tax revenues; partially offset by a decrease in fund balance available.

### **Public Works - Landscape Maintenance Districts and LLAD Summary** ..... 4.9

Effective October 1, 2014, the Landscape Maintenance Districts (LMDs) and Landscaping and Lighting Act Districts (LLADs) were transferred to the Department of Public Works from the Department of Parks and Recreation. The Board approved the formation of the LMDs and Zones therein for the purpose of providing landscaping in County administered LMD Zones pursuant to provisions of the Landscaping and Lighting Act of 1972. The 2017-18 Recommended Budget reflects a \$1.5 million decrease primarily attributable to decreases in fund balance available, due to higher operating costs, and benefit assessment revenue, due to the annexation of six zones to the City of Santa Clarita.

### **Public Works - Other Special Districts Summary** ..... 4.10

These districts include the Antelope Valley Drainage Fee District, Drainage Special Assessment Areas, and Bridge and Major Thoroughfare Construction Fee Districts (CFDs). These districts provide a variety of services including the construction, maintenance, and operation of flood control facilities; the construction of highway and bridge infrastructure; and the maintenance and operation services for drainage benefit assessment areas. The 2017-18 Recommended Budget reflects a net \$1.1 million increase primarily due to an increase in fund balance as a result of less than anticipated requirements for the State Route 126/Commerce Center Drive Project in FY 2016-17, partially offset by a decrease in cancel obligated fund balance and developer fees.

**Public Works - Recreation and Park Districts and LLAD Summary** .....4.11

Effective October 1, 2014, the Recreation and Park Districts (RPDs) and LLADs were transferred to the Department of Public Works from the Department of Parks and Recreation. The Board approved the formation of the RPDs and Zones therein for the purpose of providing landscaping in County administered LMD Zones pursuant to provisions of the Landscaping and Lighting Act of 1972. The 2017-18 Recommended Budget reflects a net \$60,000 decrease primarily attributable to a decrease in fund balance available.

**Public Works - Sewer Maintenance Districts Summary** ..... 4.12

These funds provide for the operation, maintenance, construction, and/or upgrades of sewer systems for two sewer maintenance districts, one accumulative capital outlay fund, and nine tax zones. The primary source of revenue is the sewer service charge imposed on parcels of real property. The 2017-18 Recommended Budget reflects a net \$3.8 million increase primarily due to an increase in maintenance and operation costs in the Consolidated Sewer Maintenance District.

**Public Works - Special Road Districts Summary** ..... 4.13

These funds were established to provide street and highway maintenance improvements in the unincorporated areas of the County. Property taxes collected under the authority of the Street and Highway Code Section 1550 help finance construction and maintenance projects such as pavement widening; sidewalk work to prevent erosion; construction of concrete driveways, sidewalks, curbs, and gutters to improve drainage; and graffiti removal work. The 2017-18 Recommended Budget reflects a \$0.6 million increase due to increases in fund balance available and property tax revenue.

**Public Works - Street Lighting Districts/LLAD Summary** ..... 4.14

These funds provide for the operation, maintenance, and repair of street lighting in various districts throughout the County. Funding is provided through property tax and benefit assessment collections. The 2017-18 Recommended Budget reflects a net \$8.3 million increase primarily due to cancelled obligated fund balance resulting from the transfer of Lighting Maintenance District 1744 to the City of La Puente and an increase in property tax revenue; partially offset by a decrease in fund balance available due to increases in operating costs.

**Regional Park and Open Space District Summary** ..... 4.15

On November 3, 1992, Los Angeles voters approved the Safe Neighborhood Parks Proposition (1992 Proposition) that established the Regional Park and Open Space District to fund the acquisition and development of park, recreation, and open space resources in the unincorporated and incorporated areas of the County through the collection of a benefit assessment on property. Subsequently, on November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition (1996 Proposition) that levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of excess District revenues for any authorized purpose of the District. In March 2007, the District issued Refunding Revenue Bonds Series 2007A that were available for delivery on July 5, 2007, to refund the then outstanding 1997 Revenue Bonds, which allowed more assessments to be utilized for authorized purposes of the District. The 1992 Proposition sunsetted in December of 2014 and the 1996 Proposition will sunset in December of 2018. The 2017-18 Recommended Budget reflects a decrease in fund balance available due to payments of capital project expenditures and debt service.

## Other Proprietary Funds

Other Proprietary Funds (Enterprise and Internal Service Funds) account for those governmental activities that are similar to those found in the private sector.

Enterprise Funds account for operations providing goods or services to the general public that are recovered primarily through user charges.

Internal Service Funds account for the financing, on a cost-reimbursement basis, of goods or services provided by one department or agency to other departments or agencies of the County or other governmental entities.

### **Public Works - Aviation Capital Projects Fund** ..... 5.2

This fund provides financing for new construction improvements, projects, airport operations, maintenance and repairs at the County's five general airports. The main sources of revenue for this budget are State and federal revenue and operating transfers from the Aviation Enterprise Fund. The 2017-18 Recommended Budget reflects a \$12.3 million decrease primarily attributable to the anticipated completion of the construction phase for the San Gabriel Valley (El Monte) Airport Apron Pavement Rehabilitation Phase 1 and the Compton/Woodley Airport Runway and Taxiway Rehabilitation projects.

### **Public Works - Aviation Enterprise Fund** ..... 5.3

This fund provides for the operation, maintenance, and repair of airport grounds, facilities, and equipment as well as the initiation and management of airport facility leases. This fund also provides for development and financing of County airport planning studies and improvement projects. The main sources of revenue for this fund are payments from the airport management contractor, and fuel and oil sales. The 2017-18 Recommended Budget reflects a \$1.5 million increase primarily due to an anticipated increase in the operations, maintenance, and repair activities at five County airports.

### **Public Works - Internal Service Fund** ..... 5.4

This fund is administered by the Department of Public Works. For additional information, please refer to the Public Works section in Volume One.

### **Public Works - Waterworks Districts Summary** ..... 5.5

This fund provides funding for the construction, operation, and maintenance of the five operating Waterworks Districts and the Marina del Rey Water System. The 2017-18 Recommended Budget reflects a net \$8.0 million decrease primarily attributable to a decrease in fund balance available due to lower water sales resulting from water conservation efforts mandated by the State, partially offset by an increase in property tax revenue.

## Agency Fund

The Community Development Commission (CDC) is responsible for the County's housing and community development programs and services, including the distribution of Urban County Community Block Grant funds, administration of County redevelopment projects and management of a variety of housing programs.

Services are funded through federal grant allocations and program income. These services include low and moderate-income housing development and rehabilitation in unincorporated areas of the County and participating cities; community revitalization and loan assistance for small businesses; maintenance, management, and security of conventional public housing; and subsidies for privately owned rental units (Section 8) in unincorporated areas and cities.

Consistent with past practices, CDC is submitting its detailed budget recommendations to the Board under separate cover. The final County budget will be updated to reflect the revised final estimates contained in the CDC's detailed submission.

### **Community Development Commission Fund** ..... 6.2

This fund consists of appropriation and revenue, including Housing and Community Development Act funds required for the Commission's expenses related to housing, redevelopment and community revitalization. The 2017-18 Recommended Budget reflects a decrease of \$19.6 million primarily related to reduced activity in the Residential Sound Insulation program, a reduction in Affordable Housing funds and a decrease in one-time funding for completed Fourth Supervisorial District construction projects.

### **Housing Authority Fund** ..... 6.3

This fund consists of appropriation and primarily federal revenue received from the Department of Housing and Urban Development (HUD) to fund Housing Authority expenses related to Conventional Housing, Modernization and Section 8 Housing Choice Voucher Rental Subsidy Programs. The 2017-18 Recommended Budget reflects an increase of \$11.2 million primarily related to the Housing Choice Voucher program partially offset by a decrease due to the completion of the Proposition 84 Stormwater Grant Program.

The equipment identified on this page reflects County equipment requirements to be financed through the LAC-CAL Corporation in 2017-18. The Board has not allocated, reserved or otherwise set aside any funds in the County's 2017-18 Recommended Budget to purchase the equipment identified above.

It is officially the intention of the Board that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by the LAC-CAL Equipment Program and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

<b>FUNCTION</b>		<b>ACTIVITY</b>
RECREATION & CULTURAL SERVICES		RECREATION FACILITIES

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.
