

## Interlaken Public Library

Chelsea Stirlen

Summer Reading was a huge success at the Interlaken Public Library this summer! Working in partnership with the Summer Rec Program we were able to increase our attendance and participation by more than 400% over last year! This year's theme was Build A Better World, and to that end we focused on our local community. All of this year's presenters were local – the Interlaken Fire Department, Christy Wilcox from Christy's Art Studio, Susan Williams with her hoola hoops, and the Cayuga Nature Center.

The fall season will see new programming here for adults and youth. Chair yoga, robotics and a comic book club will all begin the first week of September. Our Monday storytime, Lego literacy, stitchin' witches programs will all continue thru the fall season. If there are programs or services you would like to see here at the Interlaken Public Library I would urge you to send an email or stop in! We provide services to your community and we want to hear from you!
