### Philippians 4:6

do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.

**It's always crazy to me how fast time seems to fly and days turn into months and suddenly we are a week or two from December. Before we know it the year will be 2024. When we think about time it's amazing to know that we have a God that is out of the framework that we call "time."**

**In Titus 1:1-2 it says "Paul, a servant of God and an apostle of Jesus Christ, for the sake of the faith of God's elect and their knowledge of the truth, which accords with godliness, in hope of eternal life, which God, who never lies, promised before the ages began." These verses show a glimpse into God's immense power and Omnipotence. He sets things into motion and ultimately knows our hearts and still chooses to have a relationship with us that have repented and called on Christ. Ephesians 1:3-4 says "Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places, even as he chose us in him before the foundation of the world, that we should be holy and blameless before him. In love."**

**In this time when we are with family and thinking on being thankful, its important to remember God and the Gifts. Looking over this year I'm thankful for the quizzers that God has put in our ministry. I'm Thankful for the opportunity to work with the next generation and challenge them in their faith with God's word. I'm thankful for the opportunity to memorize the epistles and be challenged by these letters that were written to these different groups of believers. I'm thankful for the coaches, adults, and parents that pour into these quizzers outside of quizzing. I'm thankful for the leaders in the past and the work that was put into Teens for Christ Northwest to keep this ministry, so that kids have a fun way to memorize God's word.**

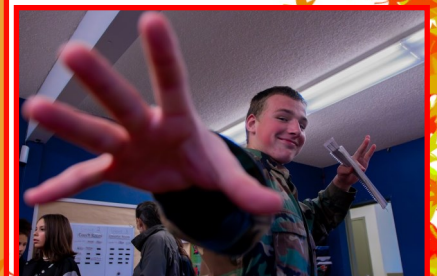

**What are You thankful for this year?**

**I Challenge you to look at every aspect in your life and see how is God working or how has he worked in your life? Give God thanks for those moments and that he is faithful in it all.**

**Something new we are doing in our newsletters are quizzer spotlights.**

**We want you to get to know our quizzers and what they are learning.**

**This month we are highlighting Sam Huisman. Sam is 15 and this is his 4th year of quizzing. His smile is infectious. When asked what he learned this month, he said Galatians 1:10 stood out to him. He said the verse emphasized you can't have self glorification when it comes to God's work. He compared it to quizzing and how he has had success in it, but he can't focus on the success, he has to give the glory to Christ and focus on Him no matter what he is doing.**
