# Republican Assembly of Lake County

Application for Membership into the (RALC)  
Republican Assembly of Lake County  
P. O. Box 37, Grayslake, IL 60030

The RALC was formed as an organization of political conservatives who support the platform of the National Republican Party and the Constitution of the United States, as written and amended. Membership into the RALC is exclusive. Applications are forwarded by Members to the Membership Committee. There is no one issue or past activity by an applicant that would preclude him (or her) from membership, but a series of questionable answers or known past actions may cause an applicant to be rejected.

After review and recommendation by the Membership Committee, applicants must be approved by the general membership. Annual Dues are currently \$30.00 per year per person, and should accompany the membership application. There is a discounted rate for Junior High, High School, and College students.

The RALC reserves the right to remove anyone from membership if it is determined that the individual misstated information on their application.
