WHO ARE WE?

Texas Junior Roller Derby is more than just a 501(c)(3) non-profit junior sports club. We are a group of amazing juniors that are focused on building character and leadership through the sport of roller derby since 2014. Located in Austin, TX, the birthplace of modern flat track roller derby, TXJRD works with skaters aged 8 to 17-year-olds who range from beginning skaters with no prior experience to more advanced derby players. We have 3 levels of competition and our Level 3 team competes with teams all over the country. We actively work to cultivate a sense of community through practices, social activities and scrimmages/bouts. We genuinely enjoy spending time with one another and learning and growing together.

MISSION STATEMENT: Promote the sport of Junior Roller Derby through competitive and non-competitive play. Engage in community activities. Impart skills including leadership, collaborative problem-solving, and good sportspersonship upon the youth.
