

## NATIONAL LEADERSHIP & SKILLS CONFERENCE

ATLANTA | JUNE 2024

### Conference Transportation

SkillsUSA will provide limited bus transportation during the National Leadership & Skills Conference (NLSC) from state hotels to the Georgia World Congress Center (GWCC) Transportation Depot, which is adjacent to State Farm Area. All conference hotels are within walking distance to GWCC and walking is encouraged.

**Bus transportation is for participants with heavy toolboxes or equipment to carry from hotels to GWCC and for those with walking limitations.** Wristbands will be provided to state association directors to distribute.

Additionally, there will be a **standby line option** for those without wristbands who want to ride the bus when seats are available. Additional details about wristband usage, state allocations and the standby procedure will be shared closer to NLSC.

ADA transportation accommodation will be available based on request.

If you wish to contract for your own state association transportation, please reach out to Melissa Stephenson at Total Transportation Solutions at 407-582-0330 or [mstephenson@ttsorlando.com](mailto:mstephenson@ttsorlando.com).
