OUR STORY

My wife and I relocated to America with our amazing, beautiful twin daughters in October of 2018 from Brescia, Italy. In Italy we successfully owned and operated our own restaurant for over twelve years. Much of our success came from the fact that we constantly adjusted and perfected our special recipes, unique pizzas and mouthwatering sauces. Now we are so excited to bring our one-of-a-kind, authentic Italian recipes and gourmet pizzas to the Henderson area to share our passion for old-world, authentic Italian cuisine. We hope you come visit us soon!

Good People
