Newsletter of the Rio Salgado Portuguese Water Dog Club

April 2020

newsletter editor: Lauren McDermott, lmcdermott@cox.net

Ahoy RSPWDC members!

As I write this, we remain under statewide stay at home restrictions that are in place from March 31 to May 1, 2020. We do not know yet if we will be able to hold our scheduled events or if we can plan new ones. We will send emails to members two weeks in advance of our scheduled events with the status and update our event schedule in future newsletters.

While we are not be able to plan our next club get together at this time, we can enjoy the company of other PWD people through social media and other more traditional methods of correspondence. Please send your news and ideas for future club activities so once we can gather together, we will have plenty of plans!

In this newsletter you will find many beautiful photos shared by our members. How many of the PWDs can you name? There is a place under each photo to write the PWD name and the location where the photo was taken, and a key is provided on the next page. Also enjoy the word find game that Sherri Horstman put together for us.

Wishing you good health and meaningful time with your PWD families.
Lauren
