Check your renewal date timeframe (Begin Date/Period Ending)

Under Compliance Summary, does Compliant show a green check mark and a yes?

- If so, you have completed your 2 year continuing education renewal requirement.
- If not, check under Requirements to view both your Ethics and Title requirements.

For TIPC's, 3 hours of Ethics are required and 13 hours of Title are required. Once all requirements are met, you will see "Compliant" in the Status column.
