Principles

01

100% DONATIONS POLICY

A 100% donations policy means every penny donated is used strictly for charitable efforts & goes to those in need. All our administrative costs are self-funded and our work is carried out by committed volunteers.

02

FEMALE RECIPIENTS

Prioritizing initiatives that further the educational needs of female learners.

03

DIGNITY POLICY

Schools & recipient identities are kept anonymous to maintain dignity.

04

UNDERPRIVILEGED AREAS

Supporting communities that have been over looked, or that form part of the "missing middle" eg: Eldorado Park

05

CRISIS RESPONSE

Support and aid when a crisis arises, making an immediate and tangible impact to those in need.

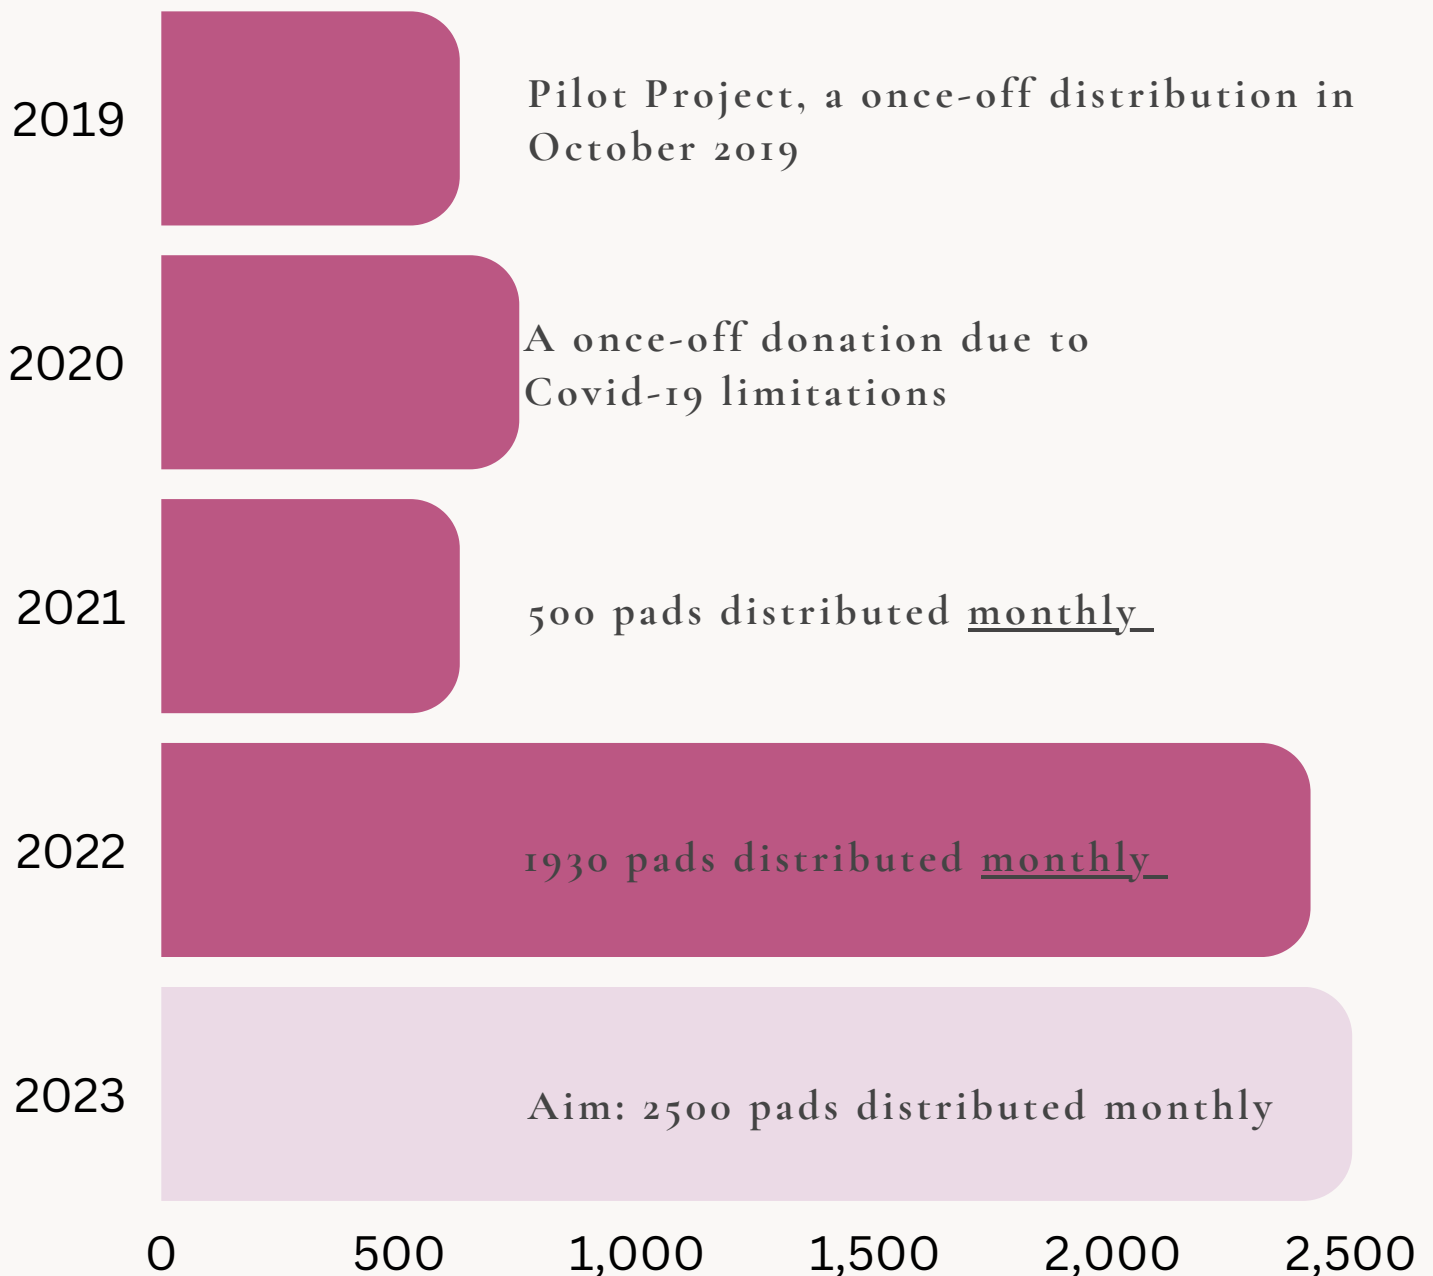

06

MAKING A DIFFERENCE, TOGETHER

Making an impact on the basic necessities of life with projects that ensure the well-being of the less fortunate in our communities. Empowering small businesses in the communities by using them as suppliers in outreach initiatives, creating a circular economy.
