

Frank's Freedom Field

Useful Information

Location	2
Opening the Gate	3
Locking the Gate	4
Rules	7
Cancellation / Rescheduling policy	8
Bulk Deals/Discounts	8

Location

The field is located off of the A1133 (Gainsborough Road) on Trent Lane, Girton

If you are approaching from Newark on the A1133 you pass through Langford, Collingham, Besthorpe and then enter Girton. You will see a sign saying “Girton Village Only” turn left at this point (there is a bus shelter on the corner) the field is immediately on your left.

There is no postcode for the field as it is not attached to a property.

The easiest way to find the field is using the What3words app. For those with the app the entrance to the field is located at:

chose.passports.devotion

The field is listed on Google Maps, you can either search Google maps for Frank’s Freedom Field or copy and paste the link below:

<https://goo.gl/maps/5smo74QVs6NRDd6s5>

If you have any issues locating the field please phone Heather on 07815 502201

Opening the Gate

- Select code on padlock (**please contact Heather on 07815 502201 if you have not received the code**)
- Pull the black knob on padlock toward you
- Slide silver bar out to release padlock.

Swing stopper out of the way

- Slide bar across to release the gate

Locking the Gate

- Ensure the Metal loop on the handle is through the static loop.

- Place silver bar of padlock through static loop. ****Ensure the black knob of the padlock is facing you****

Black knob must always be the side of the fence that you are.

- Push the silver bar in until it clicks and then scramble the numbers.

Rules

- Use of the field is entirely at your own risk. You should ensure that it is suitable for your dogs at all times
- Please do not block Trent Lane when entering or leaving the field. Pull up off of the lane to open the gate/close the gate
- Please take all rubbish with you including any dog poop
- Please discourage dogs from digging especially on the fence line. We have found that putting a bit of dog poop in any holes that dogs are interested in and covering it lightly with soil deters the dogs from digging there. It's a great way of dealing with two issues at once!
- Please discourage dogs from barking repeatedly at the sheep on our neighbours field
- We check the field every day but please ensure that the fencing is intact and safe before allowing your dogs loose
- Do not under any circumstances climb on the fences or gates
- Out of courtesy to other field users please ensure you leave the field on time
- If you arrive early for your booked session and there is someone still in the field please park in the lay-by next to the field and wait in your car until the field is clear

Above all relax and enjoy your time 😊

If you have any problems please call Heather on 07815 502201 or Phil on 07771 572822

Cancellation / Rescheduling policy

Changes and cancellations can be made online via the booking system up to 2 hours before your allotted booking time. If you need to cancel with less notice please contact me (07815 502201)

We are charged by our payment processing company whether the booking is cancelled or not so a cancellation actually costs us money, for that reason we prefer that you reschedule the booking where possible but we also understand that sometimes a cancellation is preferable and are happy to allow this when necessary

If a booking is cancelled or reschedule we will advertise it on our Facebook page so if you are struggling to find an available slot please keep an eye out on the page.

Bulk Deals/Discounts

The bulk buy deals have no expiry date so you can take as long as you want to use them.

We have a cheaper rate for those that are able to use the field in our quieter times during the week days.
