We all care about our lake, and our entire community can do their part! Did you know, we have committees to help improve our community? We invite you to join one of our committees at our next General Membership meeting.

WINTER SEASON HOURS

October 15 - April 15
Friday-Monday 9am - 8pm
Closed Tuesday - Thursday

Only members in good standing are entitled to membership benefits. This includes use of the lake, longhouse facilities and all other LACC property and benefits.

Showers are closed through the winter season, and dump station is winterized. Members must bring their own water flush their system. Dump station by appointment.

Windy, Rainy conditions - means we all need to visit our properties and see how our lots faired in the winter weather.

IF THE POWER GOES OUT

Report outages at: my.PUD3.org
Outage hotline: (360) 426-8255

Mason County has experienced winter weather already this season, including storms, power outages, and snow. The elements can take a toll on our properties. Take time to winterize your lot to prevent damage.
