The Highway Department is beginning to receive tax revenues. They are coming in at a much increased rate over last year.

Some residents have been complaining about potholes on Bryn Mawr. I notified the contractor. He is applying a temporary quick fix "cold patch". As soon as the asphalt plant opens in April he will be able to effect permanent repairs.

I met with the engineer for the sewer project. He will submit plans to be available at the office & online for pickup. Bids need to be returned by April 4th.

Some Summerdale residents have complained about speeders. I suggested that they need to call the County Sheriff. The more they call, the more patrols get scheduled. Additionally they asked about speed bumps. I am looking into artificial cameras and possibly a speed display trailer.
