EMERALD GREEN\*

SPANISH MOSS\*

\*Blue and Green shades are not recommended for exterior use or where prolonged water contact may occur. Color variations can be expected due to differences in concrete and application techniques.

## *Why consider using RENAISSANCE™ Concrete Chemical Stain?...*

- RENAISSANCE™ Concrete Chemical Stain is etched into the surface and will not wear off like paint.
- It is an inexpensive alternative to tile, slate or marble.
- It has the natural, mottled appearance of real stone.
- It is easy to maintain whether residential or commercial.
- There is unlimited design flexibility with 11 rich colors.

## *Perfect for residential, commercial or any municipality including...*

- Retail stores
- Residential garage and basement floors
- Restaurants and bars
- Patios and pool decks
- Malls and showrooms
- Hotel lobbies
- ...or most any concrete surface that would benefit from RENAISSANCE™ Concrete Chemical Stain's natural earth tones.
