

How to finish a USPS Mail Delivery Truck

- Paint the tires, rims, steering wheel, seat and bumpers black with a flat black acrylic paint.
- Paint the mirrors and headlights chrome or silver.

- Use window tinting film or plastic sheet protector for the windows. Cut rectangles to fit the windshield and the inside of the left door.

How to finish a USPS Mail Delivery Truck

- Apply 1/32" wide red craft pin striping on both sides and rear of the truck. Position the stripe horizontally, just under the door latches.

- Apply 1/32" wide blue craft pin striping on both sides and rear of the truck. Position the stripe horizontally approx. 1/16" beneath the red stripe.

How to finish a USPS Mail Delivery Truck

- Print this page on glossy photo paper and cut out the number of logos needed with a pair of scissors and a pair of tweezers.

- Apply white glue to the back of each logo and glue the into place as shown.
