

MINING ENGINEERING - 2022 DIRECTORY CATEGORIES

Please identify the primary product category under which your listing should appear.

Aerators
Aerial Mapping and Surveying
Agitators, Vibrators and Mixers
Air Compressors
Airlocks and Bulkheads
Alarm Systems
Analyzers
Assay Equipment
Automation
Autonomous Vehicles
Backfilling
Belts - Power Transmission
Bins, Hoppers, Silos and Storage
Blasting Accessories, Equipment and Agents
Blasting Services and Supplies
Blending Systems
Boring Equipment
Brakes - Dynamic, Friction, Disk - Block, Magnetic
Briquetters
Buildings
Castings
Centrifuges
Classifiers
Clutches - Fluid, Friction and Magnetic
Coal Preparation Plants
Coatings (does not include Linings and Claddings)
Communications Equipment
Compactors
Computer - Hardware and Services
Computer - Software and Services
Concrete Mixing and Transportation Equipment
Concrete Reinforcement
Concrete Reinforcement and Equipment
Construction - Contracting Services
Consulting - Design and Planning
Consulting - Engineering
Consulting - Environmental
Consulting - Financial Services
Consulting - Management
Consulting - Research
Continuous Mining Machines
Control Systems
Controls - Electrical and Electronic
Controls - Hydraulic and Pneumatic

Conveyor Belting - Accessories and Equipment
Conveyor Equipment and Systems
Coolers
Couplings - Mechanical, Flexible and Rigid
Crushers and Pulverizers
Cyanide Process Equipment
DC Power
Dewatering Equipment
Diesel Equipment Lighting Systems
Diesel Mining Equipment Manufacturers
Diesel Particulate Control Systems
Draglines
Dredges
Drill Bits - Rock
Drilling Contractors
Drilling Services and Equipment
Drives - Belt, Chain, Fluid and Gear
Drives - Magnetic and Variable
Dryers
Dust and Fume Control Technology
Earth Pressure Balance Machines
Educational
Electric Motors and Generators
Electric Wire and Cable
Electrical Equipment and Supplies
Emissions Control
Engineering Design and Services for Tunnels
Environmental Control Equipment and Supplies
Excavators
Exploration Equipment and Services
Explosive Materials and Services
Fabrication Materials
Fans and Blowers
Fasteners - Industrial Process
Feeder Breakers
Feeders
Filters, Filter Cloth and Accessories
Fire Protection
Flotation Machines and Equipment
Furnaces - Industrial Process
Gears - Pullers, Reducers and Pinions
Geological, Geotechnical Services and Equipment
Geological-Physical-Technical Services and Equipment
Government Agency - Entity
Gravity Separators
Grinding Media and Liners
Grinding Mills
Grizzlies - Feeding, Moving and Stationary

Ground Freezing
Ground Improvement Equipment and Services
Grouting Services, Equipment and Materials
HealthCare
Heavy Media Recovery Units
Hoists - Controls and Accessories
Hoists and Headframes
Hoses - Valves and Fittings
Hydraulic Hammers and Drills
Hydraulic System Components
Inflatable and Mechanical Packers
Information Technology Products
Instrumentation Equipment and Services
Insurance
Ion Exchange Equipment and Resins
Jet Grouting Equipment and Services
Kilns
Laboratory and Scientific Services
Laboratory Equipment and Supplies
Laser Guidance Systems
Leaching Sprinklers
Lighting Systems and Lamps
Linings and Claddings
Liquid Level Indicators and Switches
Loaders
Longwall Mining Equipment
Lubricants and Equipment
Lubricants for TBM
Magnetic Separators
Maintenance Equipment and Supplies
Maintenance Services
Measurement and Monitoring Systems
Meters and Gauges
Microtunneling Equipment, Tools and Supplies
Mine Evaluations - Surface and Underground
Mine Operators
Mineral Prospecting
Mining Contractors
Mining Equipment
Mining Gifts
Oxygen- Gas Equipment and Supplies
Parts - Mining Machinery
Pipes
Pollution Control Equipment
Power Transmission Equipment
Precast Concrete Linings
Process Controls and Instruments
Professional Society or Association

Publishers
Pumps
Pumps and Pumping Equipment
Pyrometallurgical Processing
Quality Improvement
Rail Products
Rail Systems and Supplies
Reagents - Chemical and Flocculants
Reclamation Equipment and Services
Recruiting/Staffing
Reduction Technologies - Iron Ore, Steel, Mineral
Refinery Equipment
Remediation
Roadheaders
Rock Drills
Rock TBM's
Roof - Ground Supports
Rotary Drum Cutters
Safety Awards
Safety Equipment and Products
Sampling Devices
Scales
Screens
Scrubbers
Seals
Sediment & Erosion Control
Segment Accessories
Sensors
Separators and Concentrators
Shaft Drilling and Raiseboring Equipment
Shortwall Mining Equipment
Shotcrete Equipment, Supplies and Services
Slurry Services and Machines
Soft Ground Shields
Soil Conditioning Equipment and Materials
Solar Electric Power System
Solvents - Extraction, Mixer and Settlers
Steel Pipe
Steel Wire Ropes/Cables
Structures
Supplies
Surveying Equipment, Lasers, and Supplies
Systems and Equipment
Temporary Structures
Testing
Thickeners
Training Services
Transportation

Trucks and Haulage Units
Tunnel Boring Equipment
Tunnel Communication Systems and Equipment
Tunnel Haulage Systems
Tunnel Lining and Support Materials
Underground - Construction and Structures
Underground Excavation Services and Equipment
Underground Locomotives and Rail Haulage Equipment
Underground Utility Materials and Operations
Urethane Cast Parts
Valves
Ventilation Systems, Materials and Equipment
Washing Plants
Wastewater Management Products
Water Clarification and Treatment
Water Treatment Plant and Materials
Welding Equipment and Supplies
Well Completion Equipment
