

Sacred Sound Ensemble Training

Overview

Level One Sacred Sound Ensemble training is a hands-on comprehensive course designed to develop the knowledge and skills needed to facilitate sacred sound meditation as an ensemble.

Participants learn how to incorporate sacred sound into existing spiritual practices and learn sound vibration principles along with their applications. A variety of sacred sound instruments are available including Tibetan singing bowls, crystal singing bowls, chimes, tuning forks and gongs.

The majority of the time is practicing with the singing bowls. Bowls are provided and no previous experience is required.

The course offering is in two tracks: a Friday and Saturday weekend intensive and a 4-week evening course.
