Message from President Polly Voon

As a token of appreciation for the tremendous and unselfish support and help that you have given to MSBCA and to the Board, we welcome you to tonight's dinner and an evening of fun and fellowship.

Volunteering is a way of giving back to your community. It is a selfless act and a sacrifice but when you start doing it, you usually discover the benefits outweighs all things you are giving up yourself - benefits including a sense of community, a sense

of purpose, helping you to meet new friends, have fun, increases social skills and self esteem. Volunteers do not necessarily have the time, they just have the heart and we acknowledge and thank you for your good heart and consideration for the benefit of MSBCA.

Without you volunteering to help out in the various MSBCA functions and events, we wouldn't have been able to do the things we have done and will continue to do for our MSBCA membership. So, thank you from all of us and enjoy the evening!
