

**AERIE TWO**

# SPOKANE EAGLES

**OCTOBER 2023**

## A LETTER FROM THE PRESIDENT

As many of you know, we are now starting to make some long-needed changes to what "many people call home" - (our wonderful Eagles Aerie 2). First and foremost, my trusted team and I are concentrating on entertainment and food. Yes, this is long overdue and very needed. We think when you come in, you will start noticing great strides in improving both of these things. It goes without saying that if any of our members have any suggestions with regards to these things, please let us know! Our job and goal is to make our wonderful Aerie a place that is not only very welcoming to all, but an Aerie that all other Aeries strive to be just like. Once we have accomplished our goals with the entertainment and food, we will be announcing our next items of concern. Let's all hang in there as our Aerie begins to return to what we have expected it to be. We have lots on our "to do" list and with the help and patience of everyone, we can make this what we all want and need.

*Deke*

**LETTER FROM THE EDITOR**

Hello Brothers & Sisters! My name is Jaylynn and I'm a newer member of the Eagles. I've been asked to introduce myself so you know who is behind the updated newsletter look.

Graphic design is something I've always enjoyed, but loving people is my real passion. I've been working in the field of victim services for almost 20 years. Walking along side individuals navigating the justice system and helping them find support services to assist in their healing process. Recently, I took a part-time job as a Papa Pal to help the elderly and individuals with disabilities. And finally, I have a prayer ministry that prays twice a week over Eastern WA (revivalspokane.com) and I'm an active member of my church.

Assisting with this newsletter, was another way I was hoping I could support my community. Hopefully you find this organized in a way that helps you quickly and more efficiently, find the information you need, about the topics you enjoy. I am volunteering my time because I sincerely want to give to the Aerie in a meaningful way, but I also realize that its nearly impossible to please everyone. If there are any comments, questions, or suggestions for future publications, please email them to [info@spokaneeagles.com](mailto:info@spokaneeagles.com)

Thank you so much for welcoming me here! I look forward to serving and praying for you.

*Jaylynn*
