This analysis process was performed in accordance with the requirements of ISO/IES 17025. Values reported relate only to the product tested. CR Analytical Labs makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected levels of any compound reported herein.
These results relate only to the test article listed in this report. Reports may not be reproduced except in their entirety. All testing is performed by either industry accepted method or internal methodology developed, validated, and controlled under AOAC or ICH guidelines.
