Cancer Connection*

You Are Not Alone!

HIGH DESERT CANCER CONNECTION

Providing local support & resources to help cancer survivors and their circle of supporters navigate through their cancer journey

WHAT WE DO

The passion and focus of the High Desert Cancer Connection is to make sure that anyone that is diagnosed with cancer realizes that they are not alone in their fight, that they have all the support & resources that are available and connect them with others that can support & fulfill their needs.

The Cancer Awareness Action Team meets twice a month to fulfill the needs of cancer survivors & their families.

Projects include:

- * Journey thru Cancer Workshops - an opportunity to get away from the stress and negative thoughts of cancer while having fun with a wonderful group of men and women.
- * We collect hair from salons and mail them to the Children with Hair Loss that provides free wigs to children throughout their childhood.
- * Cancer awareness/prevention education throughout the community
- * A one-stop resource area for support, wigs and gifted items from the community.
- * One on One make-up consultation for those that have experienced facial hair-loss. Facial, Mini-Makeover & more.

HIGH DESERT CANCER CONNECTION SUPPORT & RESOURCES

SUPPORT GROUPS

We understand the importance of having the opportunity to learn from others that have experienced hearing those words "you have cancer"
