CLARENDON HILLS CHAPTER

2024

SPONSORSHIP OPPORTUNITIES

**FROM
OUR
ROOTS,
WE RISE.**

Dear Friend of Clarendon Hills Infant Welfare,

Our organization is on a mission to support the critical needs of medically underserved patients in the Chicagoland area through the extraordinary work of the Angel Harvey Family Health Center of the Infant Welfare Society of Chicago (IWS).

Our Clarendon Hills chapter's annual benefit, ***"Light Up The Night,"*** is our signature event and has raised more than half a million dollars over the last five years to make it easier for struggling families in the Chicagoland area to get the quality healthcare care they need most.

This year, we are excited to share that our event will be on **Saturday, February 3, 2024** at the Westin Hotel in Lombard. Our corporate sponsors have played a vital role in our efforts to raise critical funds for the medically underserved and vulnerable families in the Chicagoland area.

For more than a century, IWS has pioneered innovative medical and behavioral health practices in serving Chicago's most vulnerable families. Since its inception, the Auxiliary has donated more than \$140 million to IWS and—due to the unwavering dedication of our members and supporters—is the clinic's largest single donor each year.

You are a part of this vital legacy and we hope to count on your support. We encourage you to visit www.iwsfamilyhealth.org to learn more about the organization.

We are writing today to request your support as a corporate sponsor for this coming year's event. In addition to helping a great cause, your contribution will provide visibility for your business to over 400 event attendees, our social media followers and thousands of residents in the western suburbs.

We have some exciting new sponsorship opportunities this year that you can read about on the following page. If you have any questions, please don't hesitate to reach out to our Corporate Sponsorship Co-Chairs.

We know you receive many requests throughout the year and we truly appreciate your consideration of the Infant Welfare Society and our winter benefit.

Sincerely,

Jen Alsman & Amy Lizzadro
