

Est. 2018

A group of local & licensed professionals providing free haircuts for anyone who would like one. A fresh haircut makes people feel & look their best! With that type of confidence there's no stopping what you can do!

Building confidence and spreading love is just what this world needs! Using our God gifted talents we choose to give back to our community. We are all human, and everyone needs a little help from time to time.

Haircuts For Those In Need is in need of funds for insurance costs, printing flyers, smocks, offset fundraiser costs, as well as supplies. A new disposable cape, comb, gloves, paper towels, disinfectant, etc. is used for each client, so we go through materials very quickly!
