

Social Studies
Unit 6: People in the Marketplace
Second Grade

The Big Idea

Work- Our country is made up of many different people and cultures

What to Know

- How do producers and consumers depend on each other?
- How do people get money to pay for goods and services?
- How do raw materials become products?
- Why do we make, sell, and buy more of some things than others?
- How does trade help people meet their needs?
