

Hello EJ Families -
We are excited to share great news. This week we:
Harvested lots of greens from our Hydroponic Garden!
Our students tried a variety of hydroponic veggies that included:
Mild Microgreens and Butterhead Lettuce.
Thank you AtlantiCare and Sodexo for supporting our
Adventure in Hydroponics
Please help the EJ Garden Team by discussing
your child's veggie experience at home and help us plan for
future garden-based learning events.

- ◇ My child loved the veggie taste test in their classroom/or cafeteria.
- ◇ My child liked the veggie taste test.
- ◇ My child tried the veggie taste test
- ◇ Ideas and Suggestions: _____
