UNAPPROVED ASSESSORS OUT OF STATE:		
<p>Unfortunately, the resources for qualified clinicians with the expertise to provide us with the comprehensive assessments we need are very few. This does not prevent you from using clinicians who are not endorsed by the SRMC. The below information is for those assessors who are frequently used by NH Area Agencies, but have not been reviewed at SRMC. The below assessors may not be able to provide the exact information needed to formulate a Risk Management Plan, proceed with caution.</p>

		<p>program forms. These forms concern limits on confidentiality and an explanation of the evaluation process.</p> <p>Typically, my evaluations begin at 10 AM and end by 4 PM; however, if it is necessary that I read and/or explain testing items, it is possible that the evaluation may take longer than one day.</p> <p>A meal and drinks should accompany the person so that we may work through lunch. We can take breaks as necessary.</p> <p>I will send out the report no later than six weeks after our final meeting.</p>
