FACTORY OVERVIEW

INTRODUCTION

for fifteen years MJW Surgical has been supplying the Healthcare Industry with finest quality surgical instruments & innovative products for surgery. With our extensive knowledge and experience in the medical field, our products are specifically designed to offer both exceptional quality and value for money to Healthcare Professionals and Organisations. During the last few years there have been numerous developments within our company, with the Introduction of many new innovative products and services to our portfolio, which has allowed MJW Surgical to make a significant impact on the healthcare market. Our head office is based in Sialkot, Pakistan housing all Customer Service and Administrative functions. Additionally, we have an office in the UK covering Europe and the USA. Our range of specialised surgical instrumentation is uniquely manufactured in Sialkot to the highest standards of craftsmanship. Our goal is to continue to develop new, innovative medical products that will enhance the quality of surgical procedures.

OUR SERVICE COMMITMENT

QUALITY of All surgical instruments and products manufactured and distributed by MJW Surgical conform to the highest European and International Standards with all products bearing the relevant CE mark for their classification.

GUARANTEE OF SATISFACTION

All products undergo rigorous quality control assessment and are fully guaranteed. Any product proving unsatisfactory in normal use will be replaced or repaired free of charge following inspection.

VALUE FOR MONEY

We believe our surgical instruments and products to be competitively priced representing excellent value for money. We are happy to offer discounts for contracts.

QUOTATION SERVICE

We offer a no obligation quotation service whereby we will specify, code and price your requirements using our extensive product library which enables us to cross-reference most products.

PRODUCT INFORMATION

Sectional catalogues are available for most surgical specialities.

INNOVATION

Our objective is to work in close conjunction with all medical and nursing personnel to develop new and innovative products and services.
