Places must be booked in advance.

All materials are supplied for oils, acrylics, watercolours, pastels, charcoal, pen and ink and pencils. Beginners are encouraged to explore different medium. More advanced students may opt to work in their preferred medium. The pace of this course is moderately fast moving but is designed for enjoyment and relaxation giving students time to explore their creative ability. The class looks at all stages of working a piece - from the initial concept to the finished piece. The tutor gives step by step demonstrations in different styles and medium. Subject matter is mixed to include still life, interiors, scenery, animals, people and street scenes etc.. Basic drawing, composition, colour mixing and painting techniques are covered. Primarily this course is fashioned to meet individual requirements and is tailored to student's abilities and goals. More experienced students may wish and will be encouraged to explore their personal expression, through their own choice of work where the tutor will guide and advise. Fee includes all materials, use of equipment and complimentary tea / coffee.
