Today's Meeting: President Mike Gregory opened our meeting at 6:50. Lloyd Viehland led us in our invocation. Jack Andrewson led us in the Pledge of Allegiance. Jack went over the work schedule for Columbia College. Please review the schedule above because several changes have been made. Columbia College has also released the post-season tournament schedule for the volleyball and soccer teams, so I will be releasing a new work schedule later today. We talked about creating a menu for our upcoming evening meetings and this will be explored further. The November evening meeting will be on the 14th and the church will be providing a Thank You dinner for us. Don Walker, from the dance club, repaired the floor scrubber for us. Thank you, Don. Doug Oncken led us in the Optimist Creed to close the meeting.

Today's Program: Today, we heard from Amy Lemuz-Guerra and Grace Palacio from the Hickman Review. This program is run entirely by Hickman students and it recognizes students with artistic and writing talent. The magazine places very highly in national competitions every year. The students have to raise \$4200 every year to put out the magazine and President Mike Gregory presented them with our check of support for \$250.

Last Week's Program: We had no newsletter last week, but we did have a program from the new DSG chapter in mid-Missouri. The Down Syndrome Guild is new in our community, providing support to children with down syndrome and their parents. President Mike Gregory gave them our check of support for \$250.

Upcoming Programs:
