**Today's Meeting:** Don Helmreich opened his last meeting as President at 6:45. Lloyd Viehland led us in our invocation. Mike Gregory led us in the Pledge of Allegiance. Next Monday will be new President Mike Gregory's first board meeting. This is a very important meeting as we will be setting up our budget for the new Optimist year. Our next club meeting will be our evening meeting on October 10. This meeting will also be our awards and recognition meeting as we celebrate the end of the 2018-19 Optimist year. We will be catering in fried chicken from HyVee. In order to know how much chicken to order, please call Mike Gregory (H 573-442-5454 or C 573-239-3021) and let him know how many members from your family will be attending the meeting. Members are encouraged to bring in side dishes and deserts. Lloyd Viehland has filled our bulletin boards with a collection of Bobby Grant pictures. Members might enjoy a look back at so many things Bob did with and for our club. Our new storage shed has arrived. We are going to build some shelves in the shed and then we will have a work day to clean out the board room and the old shed and move stuff to the new shed. Craig Adams, Doug Oncken, and maybe some other club members are getting involved in a project to help out a local school principal who is fostering 4 young kids who have lost their mother. They are modifying her house to create bedrooms for these kids. The club may be doing more in the near future to help this family. Doug Oncken led us in the Optimist Creed to close the meeting
