Follow the Rules

Hospital regulations require a wheelchair for patients being discharged. However, while working as a student nurse, I found one elderly gentleman already dressed and sitting on the bed with a suitcase at his feet who insisted he didn't need my help to leave the hospital. After a chat about rules being rules, he reluctantly let me wheel him to the elevator. On the way down I asked him if his wife was meeting him. "I don't know," he said. "She's still upstairs in the bathroom changing out of her hospital gown."

All The Benefits

A senior citizen said to his eighty-year old buddy: "So I hear you're getting married?"

"Yep!"

"Do I know her?"

"Nope!"

"This woman, is she good looking?"

"Not really."

"Is she a good cook?"

"Naw, she can't cook too well."

"Does she have lots of money?"

"Nope! Poor as a church mouse."

"Well, then, is she good in bed?"

"I don't know."

"Why in the world do you want to marry her then?"

"Because she can still drive after dark!"
