## September 2023 News Making a Difference For Kids

### Message From President Carroll Metzger

Greetings:

Sometimes something you read gets stuck in your head. Recently I read this quote, "individually we make a difference, together we make change." This thought stuck in my head and prompted me to think about how we as a club of diverse women, committed to improving the lives of our citizens, particularly children in our community, make change happen. What are we changing about our community? I have come to this conclusion: by letting adults and children know that there are people who care about their wellbeing, we help change our community to be a better and more attentive one. Although this care is often visible during a natural disaster, it needs to happen more consistently to give hope and support to those in need. We help by giving a coat, a dictionary, through food baskets, hygiene products, by a holiday basket with a bunny and a Christmas party. We do this by encouraging our youth to excel in writing and oratory contests and by honoring our youth and police officers. In so many ways our club works toward and contributes to the wellbeing and change of our community; but the fact remains, there is still so much more to do.

Thanks,  
Carroll

## Optimist International Presidential Flag Ceremony

Phyllis Neff and Carroll Metzger had the opportunity to attend the Annual Presidential Flag Ceremony on Friday, September 29, 2023. This is an annual celebration of the accomplishments and commitment of our outgoing International President along with celebration and welcome our new International President. President Bob McFadyen passed the reigns to incoming President Tracy Huxley as the flag from the outgoing president is replaced by the flag of the incoming president. Since both President Bob and President Tracy reside in Canada, a new Canadian flag was raised. The Canadian flag will fly again this year next to the United States Flag and the Optimist International flag in the front of the Optimist International Headquarters in downtown St. Louis. We were treated to short speeches by these two dynamic and compassionate individuals as well as remarks of praise by Executive Director, Cheryl Brenn.
