

## *N. Illinois Service Officer and Benefits Advisor Newsletter:*

*December 2025*

This Newsletter is published monthly as a Service and Reference for all Veterans, Veteran Family Members, and friends of Veterans. Each month **multiple** Veteran Military Organization sites (and other sources, as applicable) are queried for timely, relevant, and viable Veteran issues... issues that regardless of source, impact all Veterans.

Nothing is provided in this newsletter that cannot be retrieved by the reader – all sources are cited. Articles and/or article excerpts below are simply provided for ease of access and/or reference.

Regrettably, we are heading into a high-risk season for Veteran mental health issues to include depression and suicide. Therefore, this month's newsletter covers Buddy Checks. The article excerpts below are taken off American Legion sites – links included in the text can lead to additional information.

## The American Legion Buddy Check Program

Source: <https://www.legion.org/buddycheck/about>

In the first four years after The American Legion launched Buddy Checks as an official program, our members have reached more than **1 million veterans** and provided critical assistance.

The number of local American Legion posts conducting Buddy Check operations in those first four years **has grown from 3,683 to 4,456**.

Buddy Checks are not membership or fundraising calls; they are simple check-ins with veterans in the community to **see how they are doing and to learn how the local post can help**.

The **MyLegion.org** web platform contains contact information of American Legion members and former members.

The Department of Veterans Affairs launched its own **National Buddy Check Week** in 2023 and invites involvement from local American Legion posts.

American Legion posts are also strongly encouraged, by resolution, to make Buddy Check calls during **Veterans Week** (*mid-November*) and **American Legion Birthday Week** (*mid-March*).

Many American Legion posts have assembled **Buddy Check teams** that make calls monthly or even more frequently.

Buddy Check teams are urged to have at their fingertips a list of local resources available if needed. These may be **American Legion service officers**, **Vet Centers**, **VA healthcare facilities**, or others who can help.

Veterans may be reminded of the **Veterans Crisis Line** in case they know of someone who needs urgent assistance, or if they need it themselves.
