Greetings!

Since our charter in 1994, the Lebanon Optimist Club has endeavored to make a positive impact in our community. We strive to bring out the best in kids by providing funds to youth-center organizations in Lebanon and Warren County through a grant process. Through our Lebanon Blues Festival and Avenue of Flags programs, we have given nearly \$800,000 to local youth organizations.

We are excited to announce a new event, the "Spirits" of Optimism presented by the Lebanon Optimist Club to benefit the John McLean Advisory Council. The "Spirits" of Optimism is a Gatsby themed bourbon and whiskey tasting. The event will take place Saturday, January 27, 2024 at the Warren County Historical Society's Neil Armstrong Event Center in historic downtown Lebanon. We are limiting ticket sales to 120 and fully expect a sell-out.

It's always fun to dress up and go out for a night of entertainment. You will taste and learn about bourbons and whiskeys from four Ohio distillers, enjoy live music from the 1920s era, eat a little food, win a prize or two, and enjoy the great company of your friends and neighbors.

In this package, you will find information about the event, the Lebanon Optimist Club, and the John McLean Advisory Council.

We hope you will take a few minutes to review the information including our sponsorship packages. We invite you to join us for this fun evening to support a wonderful organization in Warren County. While we appreciate your ticket purchase, we very much need partners. We have created four levels of sponsorship. We are confident we can work with you to find the perfect option for your organization.

With your help, the Lebanon Optimist Club will increase our impact uplifting the lives of youth in our community who, by poor choice or by circumstances, have taken a wrong turn along their path. Proceeds of this event will enable the John McLean Advisory Council to provide support in a number of ways to improve outcomes for these youth and their families.

We are eager to talk with you about this exciting event and share information about the great work of both the John McLean Advisory Council and the Lebanon Optimist Club. Please don't hesitate to contact us with your questions.

Best Regards,

Cathy Feinauer | President
