

PROJECT A.R.K.

ACTS OF RANDOM KINDNESS

HOW TO TELL US ABOUT YOUR GOOD DEED

Kidz Rock University

We have launched Project A.R.K. (Acts of Random Kindness) because we believe that Kindness is contagious. Whether you are a Child or an Adult, let us know about your Act of Random Kindness and we will record it in the A.R.K.

Our hope is that the Good Deeds in the A.R.K. will encourage others to do the same and that collectively, we can make our world a much kinder place for all.

Here are three ways to let us know about your Act of Random Kindness:

- 1.) Send it to me through our Contact Page (<https://kidzrockuniversity.com/contact-us>). Don't worry, we won't keep your Email Address. If you are a little uncomfortable about sharing it, just make one up. Tell us about your Act of Random Kindness in the Message Box.
- 2.) Follow me on Twitter (@writingforkidz), then send it to me there.
- 3.) Add me (Max Reid / CEO – Kidz Rock University) as a Friend on Facebook, then send me a message with your Good Deed.

Include your First Name, First Character of Last Name, City / State OR Country & the Act of Random Kindness that was performed.

Example: John L. from Lincoln, Nebraska helped his neighbor shovel the snow off of his driveway.

We will take it from there and your Good Deed will be recorded in the A.R.K.

Thank you in advance for stepping up to show kindness to others.
