IMPORTANT: DUCK LICENSE DEADLINE IS ON JULY 1

A friendly reminder for all of our duck hunters: Don't forget to send us your licensing information by **July 1, 2023**.

For duck hunting in South Dakota, there is a draw to determine license distribution. We complete all of the licensing applications for our duck hunters, because the process can be very confusing.

But don't worry – as a valued member of the South Dakota community, we have a 100% success rate so far. Our hunters have good luck getting licenses!

Haven't booked your duck hunting trip yet for this fall? There's still time! Reach out to us today to secure your spot.

SUMMER IS HERE IN KIMBALL!

It's officially summer, and here at the Lodge, we've been enjoying the long, sunny days. We're located close to the western edge of the central time zone, so it stays light out fairly late in June and July – which is perfect for lounging with a drink on our porch and taking in the wide open prairie.

We've been busy finishing up our food plot planting so that the pheasants have plenty to munch on come fall. And of course, we've had plenty of hunters visiting us...

HUNTING, FISHING, AND LOVING EVERY DAY

Luke Bryan's classic country tune sums up the last few weeks at the Lodge: we've been hunting, fishing, and loving every minute of it! Summer is always an exciting time for us here in Kimball. While many people know us as South Dakota's premier pheasant hunting destination, we're proud to offer a variety of other hunting and outdoor recreation opportunities as well – and summer is the perfect time to enjoy them. This season, we've enjoyed hosting many prairie dog hunting and fishing groups who have loved the chance to kick back and relax in our beautiful, rural setting.

Our expert guides accompany varmint hunters to our numerous prairie dog towns. And for fishing groups, our local experts have completely stocked boats to show you the best spots to cast a line on the Missouri River.

We're also preparing for our final hunting show of the year in Huntsville, Alabama – we'd love to see you there! Find us at the Tennessee Valley Hunting and Fishing Expo on July 7-9.

MORE THAN A HUNTING DESTINATION

We specialize in providing our hunters with best-in-class outdoor adventures – whether that's pheasant hunting, walleye fishing, prairie dog hunting, duck hunting, or dove hunting. But that's not all we do here at the Lodge.

With our top-notch facilities that combines South Dakota's rural charm with modern amenities, we're the perfect place to hold many different types of events. In June alone, we were lucky enough to host a family reunion as well as Kimball High School's 50th class reunion – and there's more to come in July!

Over the years, we have served as a home away from home for countless weddings, family reunions, corporate retreats, and even class trips. The next time you're looking for a unique venue perfect for any event, keep Dakota Prairie Lodge & Resort in mind.

WEDDINGS

Both brides and grooms love our picturesque, rural setting. With the rolling prairie in the background and blue skies overhead, we've hosted many beautiful ceremonies celebrating lifelong love. Our Lodge sleeps up to 40 people, but we've held weddings of 300 people – a great option when there are in-town relatives as well as visiting guests who need a place to stay. Our setup is perfect for the rehearsal dinner, the ceremony, and even brunch the next day.

REUNIONS AND CORPORATE EVENTS

We are a popular destination for family and class reunions. In fact, we have a few families who come back every year to bring their relatives together in one place while enjoying the scenic views and top-tier amenities at our Lodge. Family reunions are an amazing way to make memories with the ones you love the most.

We have also hosted many corporate retreats and events. Hunting with your colleagues is a great way to bond outside of the work environment and develop real, lasting relationships. Energize your team and promote collaboration and cooperation by booking your next corporate event at the Lodge.
