

2024 “Sponsor a Day” Fundraiser

What: Sponsor a Day of shelter for a family with children in our area without a home

How: Make a donation of \$150 per date you want to sponsor. Choose the date (or dates) on our 2025 Calendar that you would like to sponsor. This sponsorship can be in honor or in memory of a special person in your life, a special birthday or anniversary or for just about any reason you would like.

What you get as a sponsor: Each sponsor will receive 3 notepads per date that they purchase. These notepads will list each date purchased and either the name of who purchased it or “in honor of” or “in memory of” a person that they specify.

When: Sales of 2025 dates will conclude in November so that notepads can be printed and distributed in January.

Your tax-deductible donation to Family Promise of York County will be used to help us continue to offer shelter services to children and their families. Family homelessness is one of the fastest growing segments of homelessness in the US. It is estimated that ONE out of SIXTEEN children will experience homelessness before they are 5 years old.
